

Please Join Valley Medical Center for a **COMMUNITY CONVERSATION** about Healthcare Equity

Share your thoughts with us about:

- What affects how and when you seek healthcare?
- How have you experienced the healthcare system?

Bring a friend, neighbor or coworker! Attending our community conversation is a convenient way to learn more about UW Medicine and Valley Medical Center, share your opinions about healthcare delivery, and listen to the perspectives of others in your community.

Facilitator

Paula Houston, EdD
Director
Healthcare Equity
